---

The Society of Government Meeting Professionals' San Antonio Alamo Chapter is proud to serve as the host of the SGMP 2015 Region V Partners in Education Conference. The conference is a joint conference held between the San Antonio Alamo, Texas Lone Star Capital, Wild West, North Texas and Houston Gulf Coast Chapters. The conference has been held since 1993 and annually attracts between 80-150 attendees, who are all government meeting planners or suppliers of government meeting services. The annual weekend conference features education sessions and networking for government meeting professionals, and provides an intimate setting for suppliers to showcase their businesses to government meeting planners via the Saturday tradeshow.
